The screenshot shows a content management system editor interface. On the left is a sidebar with various settings: 'Last Updated', 'Created', and 'Contributors' (all showing 'AB'); 'URL Slug' set to 'testnews'; 'Splash Image' with options to browse or upload; 'Language' set to 'English'; 'Translations' with an 'Add' button; 'Search Words' with 'n26' and an 'Add' button; 'Attachments' with an 'Add' button; and 'Permission'. The main editor area has a top bar with 'Editor' and 'Comments' tabs, and a breadcrumb path 'newscat26'. Below this is a rich text editor toolbar with options for Paragraph, Bold, Italic, Underline, Strikethrough, Text Color, Background Color, Bulleted List, Numbered List, Indent, Outdent, Quote, Code, Image, Video, and Embed. The text area contains the word 'test'. At the bottom, there are 'Save' and 'Discard Changes' buttons, with a word count of '1 words'.
